Labour min wants to retain 8.8% interest on EPF for FY17

New Delhi, Dec 15: The labour ministry is pitching to retain 8.8% interest rate on EPF deposits of over four crore subscribers of the retirement fund body EPFO for 2016-17 and trying to bring the finance ministry to the table.

The finance ministry had earlier this year decided to lower interest on EPF for 2015-16 to 6.7% from the 8.8% approved by the Employees' Provident Fund Organisation's apex decision-making body, the Central Board of Trustees (CBT), which is headed by the labour minister.

The government had to roll back the decision and provided 8.8% rate of interest on EPF deposits for last fiscal, following protests by trade unions.

This time, according to sources, the labour ministry wants to avoid such a situation and is seeking the finance ministry's formal approval over the issue in advance. The CBT is scheduled to meet on Monday where the issue of interest rate is listed on the agenda.

As per practice, CBT decides interest rate, which is later notified by the finance ministry after its concurrence. This is necessary to give tax exemption on EPF deposits, accrual of interest and withdrawals. PTT

Advance tax mop-up rises a tepid 10% as large banks drag

Mumbai, Dec 15

BANKS, led by market leader State Bank and ICICI Bank, have fared poorly on the advance tax front in the third quarter, tempering growth rate to around 10% from the nation's largest revenue zone.

Accordingly, the overall advance tax collection made from the top 43 Mumbai-based corporates has risen only 10% to ₹27,221 crore from ₹24,811 crore a year ago.

"The overall collection of direct tax from Mumbai-based top 43 corporates has gone up by over 10% for the December quarter, despite below par performance by several important sectors," a senior income tax official said.

SBI has paid ₹1,282 crore, down 25% from ₹1,731 crore in the year-ago period. Similarly, ICICI Bank has risen only ₹1,200 crore, down a steep 27.3% from ₹1,650 crore a year ago.

However, insurance behemoth LIC has seen its payout going up by over 13% to ₹2,235 crore from ₹1,977 crore

a year ago. HDFC Bank, too, has paid advance tax to the tune of ₹2,300 crore, up 16.75% from ₹1,970 crore. Similarly, mortgage lender HDFC has paid ₹920 crore, up from ₹810 crore in the year-ago period, a company official has said.

Reliance Industries has paid 10% more at ₹2,600 crore in advance tax in the third quarter of last year. Importantly, software major TCS's payout has fallen marginally to ₹1,540 crore from ₹1,600 crore.

Private sector lender Yes Bank has seen 44% rise in payout at ₹610 crore from ₹424 crore, an official has said. Similarly, foreign lender Citibank has paid ₹1,100 crore, up 28.48% from ₹857 crore last year.

State-owned Central Bank of India has paid 17.5% lower to ₹185 crore during the third quarter. However, other state-owned lenders like Bank of Baroda, Union Bank and Bank of India have fared well in the reporting period.

Union Bank of India has paid ₹902 crore during the third quarter, up 50%. Bank of Baroda has paid ₹500 crore, up 33% and Bank of India's has soared to ₹50 crore from no payment in the year-ago period.

Bata Steel has paid advance tax of ₹400 crore during the third quarter, up 11.1% from ₹360 crore a year ago, while for Mahindra & Mahindra it was ₹1,900 crore.

Among oil majors, IOC's has jumped 190% to ₹1,630 crore, while BPL's has seen it going up 10.85% to ₹90 crore and HCL's has paid ₹600 crore, up 164%.

FMCG major HUL has paid ₹50 crore, down 9.68% from ₹55 crore, while Bajaj Auto has paid ₹575 crore, which was also down by 17.9% from ₹700 crore. PTT

Advance tax mop-up rises a tepid 10% as large banks drag

Mumbai, Dec 15

BANKS, led by market leaders State Bank of India and ICICI Bank, have fared poorly on the advance tax front in the third quarter, tempering growth rate to around 10% from the nation's largest revenue source.

Accordingly, the overall advance tax collection made from the top 43 Mumbai-based corporates has risen only 10% to ₹27,221 crore from ₹24,811 crore a year ago.

The overall collection of direct tax from Mumbai-based top 43 corporates has gone up by over 10% for the December quarter, despite below par performance by several important sectors, a senior income tax official said.

SBI has paid ₹1,202 crore, down 25% from ₹1,701 crore in the year-ago period. Similarly, ICICI Bank has paid only ₹1,200 crore, down a steep 27.3% from ₹1,650 crore a year ago.

However, insurance behemoth LIC has seen its payout going up by over 18% to ₹2,235 crore from ₹1,977 crore

State-owned Central Bank of India has paid 17.9% lower to ₹165 crore during the third quarter. However, other state-owned lenders like Bank of Baroda, Union Bank and Bank of India have fared well in the reporting period.

Union Bank of India has paid ₹802 crore during the third quarter, up 50%. Bank of Baroda has paid ₹600 crore, up 33% and Bank of India has soared to ₹350 crore from no payment in the year-ago period.

Bal Steel has paid advance tax of ₹40 crore, down 11.11% from ₹45 crore a year ago, while for Mahindra & Mahindra it has been flat ₹300 crore.

Among oil majors, IOC's has jumped 140% to ₹1,630 crore, while BPL has seen it going up 10.85% to ₹390 crore and HPCL has paid ₹600 crore, up 164%.

FMCG major HUL has paid ₹560 crore, down 6.88% from ₹590 crore, while Bajaj Auto has paid ₹575 crore, which was also down by 17.5% from ₹700 crore.

Euro zone businesses end year on a high note

London, Dec 15: Businesses across the euro zone ended the year on an upbeat note as expected, according to a survey that showed they achieved solid growth and up prices at the steep rate since the middle of 2015. The positive survey will

policy makes at the European Central Bank (ECB), who in a surprise move last week trimmed their asset purchases but promised protracted stimulus to aid a still-fragile recovery and bolster weak inflation. IHS Markit's Eurozone Flash

Composite Purchasing Managers' Index, seen as a good overall growth indicator, matched November's 53.9, which was the highest reading this year and comfortably above the 50-point line that indicates growth. That was in line with the median forecast in a Reuters poll.

Elections in Germany, France and the Netherlands next year threaten to challenge the status quo while the full aftermath of Britain's shock election in June to leave the European Union has yet to be felt. Reuters

China deploying weapons on artificial reefs

Hong Kong, Dec 15: China appears to be deploying weapons systems on all seven of the reefs it has reclaimed in the South China Sea, according to photographs released by a Washington-based think tank.

The Asia Maritime Transparency Initiative (AMTI) said it began tracking in June and July the construction of identical hexagon-shaped structures to house the weapons on Fiery Cross, Mischief and Subi reefs, where China has already completed military grade construction on installed reefs.

"It now seems that these structures are an evolution of point-defence fortifications already constructed at China's smaller facilities on Gaven, Hughes, Johnson, and Cuarteron reefs," said AMTI, a unit of the Center for Strategic and International Studies. The installations call into question a pledge made by China's president, Xi Jinping, not to militarise the disputed reefs in the South China Sea, a shipping route that the US has patrolled largely unchallenged since World War II. China's claims to more than 90% of the waters were dismissed by an international tribunal in July. Beijing said it would ignore the ruling.

US president-elect Donald Trump has cited what he said was China's effort to build a "massive fortress" in the South China Sea as one reason for taking a more confrontational approach to relations. He listed the project in a Fox News interview while defending his decision to accept a call from the Taiwanese president, calling into question the US policy of recognising Beijing as the capital of both the mainland and Taiwan. "I don't know why we have to be bound by a One-China policy unless we make a deal with China having to do with other things, including trade," Trump said in the interview broadcast on Sunday. "It now seems that these structures are an evolution of point-defence fortifications already constructed at China's smaller facilities on Gaven, Hughes, Johnson, and Cuarteron reefs," said AMTI, a unit of the Center for Strategic and International Studies. The installations call into question a pledge made by China's president, Xi Jinping, not to militarise the disputed reefs in the South China Sea, a shipping route that the US has patrolled largely unchallenged since World War II. China's claims to more than 90% of the waters were dismissed by an international tribunal in July. Beijing said it would ignore the ruling.

US president-elect Donald Trump has cited what he said was China's effort to build a "massive fortress" in the South China Sea as one reason for taking a more confrontational approach to relations. He listed the project in a Fox News interview while defending his decision to accept a call from the Taiwanese president, calling into question the US policy of recognising Beijing as the capital of both the mainland and Taiwan. "I don't know why we have to be bound by a One-China policy unless we make a deal with China having to do with other things, including trade," Trump said in the interview broadcast on Sunday.

Euro zone businesses end year on a high note

London, Dec 15: Businesses across the euro zone ended the year on an upbeat note as expected, according to a survey that showed they achieved solid growth and up prices at the steepest rates since the middle of 2011. The positive survey will please policymakers at the European Central Bank (ECB), who in a surprise move last week trimmed their asset purchases but promised protracted stimulus to aid a still-fragile recovery and bolster weak inflation.

IHS Markit's Euro Zone Flash Composite Purchasing Managers' Index, seen as a good overall growth indicator, matched November's 53.9, which was the highest reading this year and comfortably above the 50-point line that indicates growth. That was in line with the median forecast in a Reuters poll.

Elections in Germany, France and the Netherlands next year threaten to challenge the status quo while the full aftermath of Britain's shock decision in June to leave the European Union has yet to be felt.

China deploying weapons on artificial reefs

Hong Kong, Dec 15: China appears to be deploying weapons systems on all seven of the reefs it has reclaimed in the South China Sea, according to photographs released by a Washington-based think tank.

The Asia Maritime Transparency Initiative (AMTI) said it began tracking in June and July the construction of identical hexagon-shaped structures to house the weapons on Fiery Cross, Mischief and Subi reefs, where China has already completed military grade airstrips and installed radar.

"It now seems that these structures are renovation of point-defence fortifications already constructed at China's smaller facilities on Gaven, Hughes, Johnson, and Canton reefs," said AMTI, a unit of the Center for Strategic and International Studies.

The installations call into question a pledge made by China's president, Xi Jinping, not to militarise the disputed reefs in the South China Sea, a shipping route that the US has patrolled largely unchallenged since World War II. China's claims to more than 80% of the waters were dismissed by an international tribunal in July. Beijing said it would ignore the ruling.

US president-elect Donald Trump has cited what he said was China's effort to build a "massive fortress" in the South China Sea as one reason for taking a more confrontational approach to relations. He listed the project in a Fox News interview while defending his decision to accept a call from the Taiwanese president, calling into question the US policy of recognising Beijing as the capital of both the mainland and Taiwan. "I don't know why we have to be bound by a One-China policy unless we make a deal with China having to do with other things, including trade," Trump said in the interview broadcast on Sunday.

Labour min wants to retain 8.8% interest on EPF for FY17

New Delhi, Dec 15: The labour ministry is pitching to retain 8.8% interest rate on EPF deposits of over four crore subscribers of the retirement fund body EPFO for 2016-17, trying to bring the finance ministry on board.

The finance ministry had earlier in this year decided to lower interest on EPF for 2015-16 to 8.7% from the 8.8% approved by the Employees' Provident Fund Organisation's decision-making body, the Central Board of Trustees (CBT), which is headed by the labour minister.

The government had to roll back the decision and provided 8.8% rate of interest on EPF deposit for last fiscal following protests by trade unions.

This time, according to sources, the labour ministry wants to avoid such a situation and is seeking the finance ministry's informal approval over the issue in advance. The CBT is scheduled to meet on Monday where the issue of interest rate is listed on the agenda.

As per practice, CBT decides interest rate, which is later notified by the finance ministry after its concurrence. This is necessary to give tax exemption on EPF deposits, accrual of interest and withdrawals. PTI

Advance tax mop-up rises a tepid 10% as large banks drag

Mumbai, Dec 15

BANKS, led by market leaders State Bank and ICICI Banks, have fared poorly on the advance tax front in the third quarter, tempering growth rate to around 10% from the nation's largest revenue zone.

Accordingly, the overall advance tax collection made from the top 43 Mumbai-based corporates has risen only 10% to ₹27,321 crore from ₹24,811 crore a year ago.

"The overall collection of direct tax from Mumbai-based top 43 corporates has gone up by over 10% for the December quarter, despite below par performance by several important sectors," a senior income tax official said.

SEBI has paid ₹1,262 crore, down 25% from ₹1,731 crore in the year-ago period. Similarly, ICICI Bank has paid only ₹1,200 crore, down a steep 27.3% from ₹1,650 crore a year ago.

However, insurance behemoth LIC has seen its payout going up by over 13% to ₹2,235 crore from ₹1,977 crore

a year ago.

State-owned Central Bank of India has paid 17.5% lower to ₹165 crore during the third quarter. However, other state-owned lenders like Bank of Baroda, Union Bank and Bank of India have fared well in the reporting period.

Union Bank of India has paid ₹62 crore during the third quarter, up 90%. Bank of Baroda has paid ₹30 crore, up 33% and Bank of India has soared to ₹50 crore from no payment in the year-ago period.

Tata Steel has paid advance tax of ₹400 crore, down 11.1% from ₹450 crore a year ago, while for Mahindra & Mahindra it has been flat ₹300 crore.

Among oil majors, IOCL has jumped 100% to ₹1,650 crore, while BPCL has seen it going up 10.8% to ₹400 crore and HPCL has paid ₹62 crore, up 164%.

FMCG major HUL has paid ₹50 crore, down 6.50% from ₹53 crore, while Rajaj Auto has paid ₹75 crore, which was also down by 17.9% from ₹90 crore.
